About Company

At **ArtUs Academy**, we empower learners with practical, industry-driven programs designed for tomorrow's careers. From Full-Stack Web Development to Digital Marketing and UI/UX Design, our courses are taught by professionals who bridge theory with real-world practice.

Our flagship **Full-Stack Web Development course** trains you to build real applications from scratch using modern technologies like **HTML, CSS, JavaScript, React, Java, Spring Boot, and MySQL**. Gain hands-on experience through live projects, Git workflows, and deployment sessions.

Join our growing community of passionate learners, work on real industry projects, and receive placement support. At **ArtUs Academy**, creativity meets code and your career begins.

We are a part of **ArtUs Brand**

We aren't just educators; we are practitioners. **ArtUs Academy** is a joint venture with **ArtUs Brand**, a premier digital marketing firm that has been delivering ROI for clients for **5+ years**.

ArtUs Brand

5+ Years of Experience	70+ Successful Clients	650+ Ad Campaigns Managed	10000+ Leads Generated
		50+ Websites Created	7000+ Posts Created

A Digital Marketing agency with **5+ years** of industry presence, successfully growing the digital identity of **70+ businesses** across various sectors like retail, healthcare, education, hospitality and tech.

and much more...

Welcome Message

Nikhil Nath R

Co-Founder & CEO

We believe learning should be practical, purposeful, and career-driven. Our mission is to bridge the gap between academic knowledge and real-world industry requirements by empowering learners with hands-on skills, real project experience, and a strong problem-solving mindset.

We focus on building not just coders, but confident software developers who can design, develop, and deploy complete applications as part of a team. Our programs are crafted with industry relevance at the core, emphasising modern tools, best practices, and practical workflows used by professionals.

Whether you are starting your journey in technology or upgrading your skills, **ArtUs Academy** is committed to guiding you every step of the way and prepares you for a successful career in the tech industry.

Vision & Mission

Vision

To become Kerala's most trusted academy for technology and digital careers, built on quality learning and real success.

Mission

To empower students with job-ready technical and digital skills, real project exposure, and personalized career development support.

Our Courses

Full Stack Web Development

Build full production-ready web applications from scratch. Master **HTML, CSS, JavaScript, React, Java, Spring Boot, and MySQL** through hands-on projects, team workflows, and real deployment practices.

Graduate with a strong **GitHub** portfolio, industry experience, and placement readiness.

Mentor

Nikhil Nath R

Senior Software Engineer
(Ex-Oracle)

Professional Digital Marketing Course

Learn how to grow brands in the digital world. Gain practical skills in **SEO, paid ads, social media marketing, content strategy, and analytics** by working on live client projects.

Designed for students, entrepreneurs, freelancers, and career switchers aiming for real-world marketing success.

Mentor

Ajeena Ali

CEO ArtUs Brand

Workshops

Git & GitHub Workshop

Learn how real development teams collaborate using Git and GitHub.

This hands-on workshop covers version control fundamentals, branching strategies, pull requests, and team workflows used in professional software projects. Participants work on real repositories and understand how collaboration happens in the industry.

Hardware & Components

Understand the fundamentals of computer hardware and core system components.

This workshop introduces CPUs, memory, storage, peripherals, and basic troubleshooting concepts, helping learners connect how hardware supports software systems in real-world environments.

And much more...

Meet The Team

Nikhil Nath R
Co-Founder & CEO

As the visionary behind Artus Academy, Nikhil bridges the gap between academic learning and industry demands. With a strong foundation in technology and leadership, he is dedicated to empowering students with the practical skills needed to thrive in the modern workforce.

Muhammed Sulfeeker
Co-Founder, Co-Founder ArtUs Brand

Sulfeeker is the strategist who turns vision into reality. He oversees operations and curriculum delivery, ensuring seamless execution of workshops and programs. His focus is on quality assurance and creating the best learning environment for students.

Anurenjini M
Student Counselor

Anurenjini acts as the guiding light for our students. With a deep understanding of career dynamics and student psychology, she helps learners identify their strengths, overcome challenges, and navigate their path from the classroom to a successful career.
